Things to Know

-Each class project has a handout that is assigned for homework (found in the back of the packet)

-Your sketchbook will be used for homework, tutorials and practice during class and over shop weeks. Those due dates will be listed on the sketchbook assignment board.

-Each project takes 2 weeks to complete

-Due dates are posted on the board and on this syllabus

-Homework is due the day after it's assigned

-As you work, keep the objective and assessment nearby for reference

-Critiques will be held during the last week of class projects to get feedback from classmates

-**Reflections are due the same day as class projects.**

Projects subject to change order.
